

Bernard Le Masson

Managing Director, Management Consulting Health & Public Service Accenture

Bernard is the Managing Director for the Management Consulting organization in the Health & Public Service operating group at Accenture. His previous role was leading Accenture's Health & Public Service (H&PS) practice in Gallia—helping drive growth and profitability in France, Belgium, Luxembourg, the Netherlands and the European Union.

With more than 20 years of experience at Accenture, Bernard has worked on a number of significant projects, including the State reform program in France. He also worked on major management consulting engagements for the Ministry of Finance budget reform, Employments Agency merger, Universities transformation and City of Paris.

Bernard has deep management consulting skills, as well as a strong knowledge of the industry. He has also spoken at many public conferences on the topic of State reform.
