

ROGER G. GIRARD, BA (L. Ph.), MBA

Roger Girard is an executive consultant specializing in Health Informatics and the use of Shared Services as an integration strategy. He was recently the CIO at Manitoba eHealth, with the responsibility for the Province's eHealth Strategy. In this role, Roger was the executive sponsor for the award-winning eChart Manitoba project, Manitoba's version of the Electronic Health Record, and for a shared EPR that is now being rolled out across the Province. He has also been a CIO of large and complex organizations in the provinces of Quebec (McGill), Ontario (McMaster), and Alberta (Calgary). As an independent consultant in Ontario, Roger also performed the role of Chief eHealth Strategist for the Ontario government.

Roger holds an undergraduate degree from the University of Manitoba, and an MBA from Concordia University in Montreal.
