## ITAC Announces Lisa Carroll as New Co-Chair for Diversity Committee

[CGI's Senior Vice-President, Lisa Carroll](#) has been named as the new Co-Chair of ITAC's Diversity Committee. This Committee designs and implements programming to support women through all stages of their career life cycle.

"Lisa has been a long-time ITAC ambassador, serving as the Chair of the ITAC Ontario Board, she is currently a Director of the ITAC National Board member and will now co-chair our ITAC Diversity Committee," explains Robert Watson, president and CEO, ITAC. "Lisa "She will join our long-time diversity champion, [Mary Whittle](#), who was recently awarded ITAC's [Volunteer of the Year](#) for her time and dedication to building awareness on the important issue of gender diversity. It's a great opportunity for the Committee, and ITAC, to help move the dial on diversity issues beyond the focus of gender."

### **About the ITAC Diversity Committee**

The ITAC Diversity Committee is comprised of four pillars of influence, managed through four sub-committees: ITAC Talent Programming; Women in Leadership Committee; Women on Boards Committee; and Women Entrepreneurs.

ITAC strives to attract young women into Information Communications Technology (ICT) careers through its comprehensive ITAC Talent programming; the Women in Leadership Committee serves to advance women into leadership positions and showcases top tech women via our highly successful national speaker series; ITAC's Women on Boards Committee has launched a national registry of "board ready" leaders to increase female representation on Canadian technology boards; and finally, our Women Entrepreneurs pillar facilitates a vibrant networking forum for top female tech founders and CEOs.
