Member support key to success of annual Ingenious Awards: Sponsorship packages still available

ITAC and its partner CanadianCIO (published by IT World Canada) have had long success running the highly-coveted [ITAC Ingenious Awards](#) and the [CanadianCIO of the Year Award](#) programs. Much of this success is tied back to the generous organizations that help support these awards programs through generous sponsorship packages.

This year is no exception. Each sponsor, no matter what level of sponsorship they choose, will be publicly recognized. More importantly, your support will help to showcase an outstanding company, initiative, program or individual from Canada's ICT industry through a highly-coveted, national award.

Sponsorship Opportunities

There are seven sponsorship level opportunities available – each one providing a myriad of benefits ranging from your corporate name and logo displayed on the ITAC Ingenious Awards website to a chance to introduce and present the award to an Ingenious Award winner.

For a full list of sponsorship opportunities currently available, [click here](#). Or, to learn more, contact Janet Tite at jtite@itac.ca.
