ITAC welcomes new members

ITAC is pleased to welcome the following new members to the Association. Below is a brief overview about each organization, as well as links to their website to learn more.

Donna Cona

Donna Cona is the largest Aboriginal-owned and operated business and technology consulting service company in Canada. As a genuinely Aboriginal company, we have a real interest in creating a sustainable and diverse workforce made up of ambitious, professional and skilled men and women. As a full-service firm, Donna Cona provides its clients with sound business and technology advice, as well as comprehensive solutions tailored to their specific needs. They serve our clients with business planning; IT strategic planning; health services; program evaluation; custom application system development; technology architecture planning and implementation; IT operations and help desk support. Their reputation for quality of service and reliability has given our clients the confidence to entrust us with their mission critical problems – regardless of scale, or location in Canada. To learn more, visit www.donnacona.com

Nexalogy

A leading provider of social media research technology and consulting services, Nexalogy offers its clients a variety of strategies allowing them to benefit from the advanced analytical power of their proprietary social data mining and analysis engine. To learn more, visit <https://nexalogy.com>
