ITAC Industry Insider Newsletter

November 1, 2019

ITAC welcomes five new industry leaders as members!

Since the distribution of the last edition of our newsletter last month, ITAC welcomed five new members to the Association. These members include:

- [Alithya](#)
- [Arista Networks](#)
- [Compulark](#)
- [Prepr](#)
- [The Beacon Agency](#)

Details about each member can be found by clicking on their names.

Why join ITAC?

The key benefits of an ITAC membership includes our advocacy, networking and professional development opportunities. Members are also encouraged to exercise their membership by joining a committee and helping build the strength of our messaging to advocate for a strong digital society for the benefit of all Canadians. This includes influencing our submissions on policy issues and the legislative process; helping to accelerate innovative ICT adoption in all dimensions of the Canadian economy (government, healthcare, enterprise and SME businesses in all sectors) to demonstrate world-class excellence in the use of technology; and creating high-value relationships and business partnerships with industry, academic and government leaders through business and networking events.

If you have any questions about your membership – or would like to recommend an industry peer – contact ITAC's Director of Membership, Mariana Kutin Morais at mkutin_morais@itac.ca.
