## ITAC in discussions with IRCC and ESDC to partner in Global Talent Stream

ITAC is looking to work more closely with Immigration, Refugees and Citizenship Canada (IRCC) and the Department of Employment and Social Development Canada (ESDC) to potentially become a partner in the Global Talent Stream (GTS) initiative. This opportunity will allow ITAC to assist Canadian companies looking for specific foreign-trained talent.

In this capacity, ITAC will work closely with ITAC members to leverage expediated paperwork to get a foreign temporary worker into their company within a two-week timeframe. An additional feature is that any company accessing the GTS must commit several work-integrated learning placements as part of a Labour Market Impact Assessment, serving as a new stream of placements for ITAC.

Details about this new working relationship will be shared with ITAC members soon!
