Ontario Digital Service to lead a stakeholder engagement session in Ottawa

Ontario is in the process of developing the province's first [Ontario's Data Strategy](#) with a goals to create economic opportunities and to improve government services by facilitating greater data sharing and by using more data driven technology as well as maintaining the trust and confidence of Ontarians.

On **Tuesday November 5, 2019, from 2:00 – 4:00 p.m.** ITAC has partnered with the Ontario Digital Service to lead a stakeholder engagement session in Ottawa on the Strategy and are seeking diverse voices in the tech community to share expertise. It is important that the Ontario Government hears from a wide cross-section of the ITAC membership. During roundtables, you will have the opportunity to have focussed, in-depth conversations on the topics covered in the three Ontario Data Strategy [discussion papers](#):

- Ensuring public trust and confidence in the data economy;
- Enabling Ontario firms to develop data-driven business models; and
- Unlocking the value of government data.

Please RSVP here [EngageON-Ottawa](#).

ITAC will continue to be involved with all stages of the development of the Data Strategy.

Consultation details:

Tuesday November 5th, 2019

Address: The Bayview Yards, 7 Bayview Station Road, Ottawa ON

Date: Tuesday November 5, 2019

Time: 2:00 – 4:00 p.m.

[Register for the event](#) and [subscribe to the Data Strategy newsletter](#) to be invited to future consultations and to receive updates.

If you have any questions, please contact the Ontario Data Strategy team at digital.government@ontario.ca or ITAC's lead: Nevin French nfrench@itac.ca
